## LENS BOX

**Price from 479,00 NOK**

DESIGN BY THOMAS JENKINS FOR HAY Thomas Jenkins is a British industrial designer now living in Oslo, Norway. He is a graduate of the Engineering Product Design course at London South Bank University. After gaining experience in industry as a designer, he began his own studio in 2010. Jenkins has a particular interest in material usage, in craft skills and in industrial methods of production. He creates designs that are focused on interaction and daily use. For HAY, he has designed the Lens Box collection. SIZESmall / Ø10 x H5cmLarge Ø14 x H5,5cm MATERIALCord and glass
