## KUTTER

**Price from 100,00 NOK**

**DESIGN BY PETER JOHANSEN**  
Kutter Candle Holder's slender oval shape provides just the right space for tea light candles and ordinary candles, allowing you to combine them in one candleholder. Crafted from zinc alloy and available in a host of different colours. **DIMENSIONS**  
W 5 x H 11 cm

**MATERIALS**  
Zinc-alloy

**COLOUR**  
Black

**CLEANING**  
Place Kutter upside down on a sheet of baking paper. Place in a pre-heated oven at 75 C for 15-20 min. Wipe the candlestick with tissue as soon as it comes out of the oven. Kutter will be hot so do take proper precautions.

**SAFETY**  
Never pour water over Kutter nor use sharp objects to remove wax. Never let the candle burn down completely as it will mark the lacquer and heat.
