

CPH 190 DESK

PRODUCT FACT SHEET

CPH 190 DESK

DESIGN BY RONAN & ERWAN BOUROLLEC, 2012

Sharing the same angled legs as the rest of the series, the tabletop of the Moulded Plywood Desk CPH 190 features a split at the back of the table, creating a useful upright backrest for supporting notes and open books, while the remainder serves as workspace. This has the dual benefit of making the desk more compact, at the same time it increases functionality. Ideal for using in a home office or in a work environment, it is crafted in oak with a water-based lacquer.

HIGHLIGHTS

- Multi-functional family of tables in different shapes, sizes, materials and colours.
- The table is available as round table with three legs (CPH 20), round table with four legs (CPH 25) and rectangular table (CPH 30).
- The series also includes an extendable version (CPH 30 extendable) and desks (CPH 10, CPH 90).
- Suitable for a wide variety of private and public environments.
- Qualified for contract use.

DIMENSIONS

LENGTH 130 CM
WIDTH 65 CM
HEIGHT 74 CM

MATERIALS

SUSTAINABILITY

HAY focuses on developing long-lasting products that minimise our environmental impact. We optimise the use of sustainable materials such as recycled materials, FSC-certified wood, and water-based lacquer, with a growing number of eco-certified products. We have strict regulatory requirements, and the majority of our products are tested to comply with international standards for strength, durability, and safety.
