

NEU 13

PRODUCT FACT SHEET

NEU 13

DESIGN BY HAY, 2013

Neu's ergonomically moulded shell combined with its round solid wooden legs results in a perfectly defined profile. The durable, finely-grained plastic adds textural interest, while the rim detail gives the design structure and character. In the upholstered version, a delicate stitching line runs across the seat, while a piping detail accentuates the chair's raised rim. Its robust and comfortable construction and flexible design options makes it the perfect choice for offices or dining rooms.

HIGHLIGHTS

- Robust and comfortable chair.
- Variety of shell colours and base finishes.
- FSC™ certified.
- Available with plastic shell and solid oak legs (Neu 12 & Neu 13) and full upholstery in a large selection of fabrics and leathers.
- The chair is also available with swivel base (Neu 10).
- Suitable for a wide variety of private and public environments.
- Qualified for contract use.

DIMENSIONS

WIDTH 46 CM

DEPTH 52,5 CM

HEIGHT 82 CM

SEAT HEIGHT 46 CM

SEAT WIDTH 40 CM

SUSTAINABILITY

HAY focuses on developing long-lasting products that minimise our environmental impact. We optimise the use of sustainable materials such as recycled materials, FSC-certified wood and water-based lacquer, with a growing number of eco-certified products. We have strict regulatory requirements, and the majority of our products are tested to comply with international standards for strength, durability and safety.
