TRIANGLE LEG COLLECTION

DESIGN BY SIMON JONES

HAY

- PARTS -

A Tabletop x1

B Leg x4

C Washer x4

D Nut x4

E Wrench x1

Protect the table top from scratches and other damage while assembling.

1.

Slide the bolt attached to the **B** part through the hole in the corner fitting of the **A** part. Thread the **C** part onto the bolt and secure with the **D** part.
Repeat the same procedure for all four legs.

2.

Use the **E** part to tighten the **D** part.
Repeat the same procedure for all four legs.

3.

Turn the table over and make sure all bolts are completely tightened.
(2 persons recommended).

4.

Done!

- CARE & MAINTENANCE -

Our Care & Maintenance offers guidance for optimal maintenance of your HAY product. It includes advice and instructions on cleaning and caring for specific materials to prolong the life of your furniture.
