

UCHIWA

Design by Doshi Levien

HAY

Uchiwa

Uchiwa is a capacious armchair, taking its soft and open shape from the traditional Japanese hand fan. Generous and inviting, new and familiar at the same time, the armchair comes in two upholstered versions: in a softer quilted model for a more domestic environment and in moulded foam for a more demanding contract context. The base is available in natural or stained oak.

Uchiwa

Design by Doshi Levien

Doshi Levien is a London based design studio founded in 2000 by Nipa Doshi and Jonathan Levien.

They have established a strong reputation for creating design that is both technically advanced and imbued with cultural resonance and they have been internationally acclaimed for their work.

Together, they bring to bear a complimentary set of skills to the projects they work on. They have worked on projects for industry leading companies and institutions in the fields of furniture, fashion, homewares, technology and lighting.

For HAY, they have created the Uchiwa Lounge Chair, Dapper Lounge and Quilton Sofa.

UCHIWA

PRODUCT FACT SHEET

UCHIWA

DESIGN BY DOSHI LEVIEN, 2014

Uchiwa is a capacious armchair, taking its soft and open shape from the traditional Japanese hand fan. Generous and inviting, new and familiar at the same time, the armchair comes in two upholstered versions: in a softer quilted model for a more domestic environment and in moulded foam for a more demanding contract context. The base is available in water-based lacquered oak.

HIGHLIGHTS

- Capacious and inviting armchair, taking its soft and open shape from the traditional Japanese hand fan.
- Available in two versions, a soft quilted version, ideal for home use, and a moulded foam version suitable for more demanding contract contexts.
- The Uchiwa collection also include an ottoman.
- Variety of textiles, colours and base finishes.
- FSC™ certified.
- Suitable for a wide variety of private and public environments.
- Qualified for contract use.

DIMENSIONS

UCHIWA OTTOMAN
WIDTH 61 CM
DEPTH 49 CM
HEIGHT 39 CM

MATERIALS

SHELL

Reinforced polypropylene shell with moulded polyurethane foam.

QUILTED SHELL

Quilted shell with moulded HR polyurethane foam with a wadding layer for extra volume.

BASE

Solid oak base.

OPTIONS

CMHR foam (fire retardant)

CONSTRUCTION

The wood base is composed of 4 cylindrical legs, 2 sidebars and 2 crossbars assembled with 2 wooden pins in each connection. The base is CNC milled to match the polypropylene shell. The moulded reinforced polypropylene shell is pre-attached to the frame using 4 machine screws and features a front moulded HR polyurethane foam part. For the quilted version, the moulded HR polyurethane foam is sectioned and glued in individual blocks to the shell. A wadding layer is glued to the foam block for extra volume. The front textile is pre-sown and clicked onto the shell.

SUSTAINABILITY

HAY focuses on developing long-lasting products that minimise our environmental impact. We optimise the use of sustainable materials such as recycled materials, FSC-certified wood and water-based lacquer, with a growing number of eco-certified products. We have strict regulatory requirements, and the majority of our products are tested to comply with international standards for strength, durability and safety.

[LINK TO ENVIRONMENTAL PROFILE](#)

CERTIFICATES

FSC™ LABEL MIX 70%
Made from FSC™-certified wood
and other controlled materials.

INDOOR ADVANTAGE™ GOLD
Supports a healthy indoor environment.
Confirms to ANSI/BIFMA standards.

BIOMASS FOAM
100% of the fossil-based raw materials required
for manufacturing of this product are replaced
by sustainably certified biomass.

TESTS

EN 16139:2013

Furniture - Strength, durability and safety - Requirements
for non-domestic seating.

L2 Extreme use - Loading according to Test severity L2.

Does not apply to Uchiwa Ottoman.

WARRANTY

HAY provides a 5-year product warranty.

Please contact the HAY sales team for further information about the warranty terms and conditions.

CARE & MAINTENANCE

Our Care & Maintenance offers guidance for optimal maintenance of your HAY product. It includes advice and instructions on cleaning and caring for specific materials to prolong the life of your furniture. Find the guide at hay.com.
